

Greetings Dear Sisters in the Lord...

It has been almost a month since the 40th Life Enrichment Conference in Myrtle Beach, SC. Thank you for a very enjoyable and quite enriching weekend. My husband, Brother Dallas, and I were so blessed by your sincere and warm encouragement and the warmth of God's love. It remains to be a blessing to meet new friends and sisters as that always blesses me.

“Proclaiming the Gift of Salvation... How are you Embracing Your Gift?”

As promised, I am sending you, via your email address, a teaching regarding some of the topics shared during or time together. More specifically, it addresses the components of our Salvation in Christ Jesus.

Remember my dear friend, that as a Christian woman, your greatest intimacy with the Lord will be those times when the Lord's thoughts (**Scripture**) supersede (*replaces*) your thoughts and then your life and behavior models that of Christ.

Meditate daily on the scriptures...

You will see your worth and draw near to God. As you train your mind to focus on the truth about yourself, your emotions will “be transformed by the renewing of your mind” (**Romans 12:2**). Then the Scripture passages will begin to saturate your heart, transform your thinking, and help develop the true picture of who you are...from God's point of view, the true point of view.

The only way to replace the error of the world's way of thinking is to replace it with God's truth, and the only infallible source of God's truth is His revealed Word, the Bible. Transformation through renewed minds comes as believers expose themselves to God's Word through the faithful exposition of it each week in church, personal Bible study, prayer and group Bible study. A solid church that believes in preaching and teaching the Word, reading the Word, and singing the Word is invaluable in helping us renew our minds.

There are no shortcuts. There is no magical formula for renewing our minds. We must fill our minds with God's Word. As Jesus prayed to the Father, “Sanctify them in the truth; your word is truth” (John 17:17).

The Titus 2 Ministry Women's Ministry will be starting in the near future. I hope that you will join me as we journey through the Scripture to discover and learn how we, as “older” women are to teach “younger” women. If you would like to know more about this ministry, please visit www.peninsulabiblicalcounselingministries.org and sign-up to receive updates on events, teachings, and so much more.

Though we are all on the journey, many women (young and older) struggle with their biblical purpose, identity, roles, and callings. These topics have been the bedrock for heated discussions among the various churches. The PBCM desires, through teaching and equipping, to live out and walk alongside women (e.g. discipleship), encouraging women to fulfill God's purposes for her life and for His glory. The PBCM desires to support, teach, and equip women in leadership within the local church (e.g., pastors' and elders' wives). It is the PBCM's belief that when older women (e.g., women in leadership roles) biblically understand and accept her God-given purpose, identity, role(s), and callings,

she then, in turn, will be able to teach the younger women in her congregation, communities, etc. the qualities and life giving truths of Titus 2.

What You will learn:

- *Your Purpose*
- *Your Identity*
- *Your Role*
- *Your Call*
- *Your Walk*
- *Your Attributes*
- *Proper Focus*

It is my sincere prayer that our meeting at the women's conference was not our first and will not be our last time together. It is also my heart's desire to have an ongoing conversation and significant Christ-centered relationship with all of you. Having a continually strong and close Christ-centered relationship with you will grow in grace, as a result of having knowledge of the truth of God's Word and a consistent prayer life. Embracing Scripture is the only foundational truth for life.

I look forward to seeing you in the near future.

In Christ,

Dr. Janie D. Wilson
